Overview

Together. Apart. Always stay connected to your digital life with this high-performance convertible and detachable Ultrabook™ Tablet that adapts to the way you live, work and play.

Together or apart, no matter how you use it, the Portégé Z10t is simply utopia when it comes to staying connected and adapting to your digital life. With its convertible agility, supreme responsiveness, high performance and ultra-lightweight chassis, the Z10t has all the power and connectivity you need to take you to all the places you want to go.

Distilling the best of Toshiba's Japanese precision-engineering into its ultra-thin 16.9mm and ultra-light 850g chassis, Z10t detaches and converts from a best-in-class Full High Definition touchscreen Ultrabook™ into a light and powerful media tablet quite unlike anything you've seen before. The difference? It's perfect when it comes to business-class connectivity, networking and performance as this convertible Windows® 8 Ultrabook™ has the world's first fully-ported docking keyboard, including LAN, RGB, HDMI®, SD, USB3.0,USB 2.0 and HDMI™!

When it comes to beautiful usability, Portégé Z10t's backlit keyboard keeps you working and playing even in the dark, and its trackpad and pointing stick gives you all the options when navigating Windows® 8. What's more, the Portégé Z10t now comes with the option of 4G through the Telstra® network (selected models) so you can enjoy an ultra-fast broadband connection wherever you go. From desk to sofa, office to home, café to library, the Portégé Z10t keeps you always connected for life.

Toshiba recommends Windows 8.
